Board Policy 4111: This policy previously incorporated a process for general harassment and Title IX sexual harassment. All connections to Title IX have been pulled out of this policy and a stand-alone Title IX policy created. Policy 4111 has been modified to address harassment outside the Title IX rules.

Board Policy 5110.1: Updated to include anti-harassment language and cross-references updated. A student complaint procedure was created, similar to the employee complaint procedure.

Board Policy 5110.2: Policy modified to incorporate reference to Title IX policy, legal references, and cross-references.

Board Policy 4111.1 (Newly Created): Outlines the employee discrimination and non-Title IX harassment complaint procedure. These procedures would follow standards set in Board Policies 4110 and 4111. Note: These procedures do not apply to claims of Title IX sexual harassment as those claims will be handled through Board Policy 1710.

needs of students experiencing homelessness in LEAs throughout the state by supporting homeless liaisons and by distributing funds from the U.S. Department of Education. The Wisconsin Department of Public Instruction (DPI) designates two statewide EHCY Coordinators to provide training and technical assistance, review and create policies and procedures, and monitor LEAs for program compliance to ensure that children and youth experiencing homelessness are able to attend and fully participate in school. Funding is distributed to LEAs through a competitive grant process.

The Wisconsin Department of Public Instruction currently requires updates to the existing KUSD policy. The proposed changes include more specific language on page one, including a clear definition of “homelessness”. Additional pages in the policy include an established definition of “student rights” and clarification of the dispute process. The adaptations to this policy will bring us into compliance with current regulations.
